

CompTIA: AI Essentials

Course ID #: 7000-1137-ZZ-Z

Hours: 7

Course Content

Course Description:

CompTIA AI Essentials offers an introduction to the world of artificial intelligence, equipping learners with the knowledge and skills to thrive in an AI-driven landscape. Learners will gain a solid understanding of the AI landscape, exploring its definition, evolution, and the various types of AI that are transforming industries. The course dives into practical AI applications, demonstrating how AI can enhance productivity, creativity, and decision-making in business settings. Learners will also uncover the potential of Generative AI, discovering its capabilities in creating text, audio, and images, and learning how to select the right tools for specific tasks. Additionally, the course addresses the intersection of AI and cybersecurity, highlighting potential threats and navigating the legal and privacy challenges associated with AI. By completing CompTIA AI Essentials, learners will future-proof their careers, acquiring the skills and insights needed to stay ahead in a rapidly evolving job market where AI plays a pivotal role.

Course Objectives:

Upon successful completion of this course, students will:

- understand the applications of AI, with a focus on Generative AI and prompt engineering in the workplace
- gain practical skills to effectively use AI tools like ChatGPT, GPTPro, and Google AutoDraw, while exploring critical topics such as augmented intelligence, dataset biases, ethical considerations, the future of generative AI, and reskilling for the evolving job market

Prerequisites:

None

Topics:

Lesson 1: AI Unveiled

Lesson 2: Generative AI Frontiers

Lesson 4: Balancing Innovation and Privacy

Lesson 3: Engineering Effective Prompts

Lesson 5: Future Trends and Innovations in AI

CompTIA: AI Essentials

Course ID #: 7000-1137-ZZ-Z

Hours: 7

NASBA Information

Level: Intermediate

Attendance Requirement: To be awarded the full credit hours, you must sign in and attend the entire course.

Fields: Computer Software & Applications

CPEs: 7.80

Policies: Course Registration, Cancellation, Refund and Complaint Resolution

For more information regarding administrative policies such as complaint and refund, please contact our offices at 800-639-3535 or visit us at: www.tcworkshop.com

Official National Registry Statement:

The Computer Workshop is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have final authority on the acceptance of individual courses for CPE credits. Complaints regarding registered sponsors may be submitted to the National Registry of CPE Sponsors through its website: www.nasbaregistry.org

NOTE: Since our information is in multiple places on our web site or in PDF format that is sent to clients, we have provided our normal course content with the NASBA Information added along with links to our policy page on the web. We will add our name to the Official National Registry Statement after we are approved.
