

## Course Content

### Course Description:

The course includes information on the Storage Scale installer toolkit, installer GUI, cluster upgrade scenarios, cluster health monitoring, cluster performance data collection and monitoring, management GUI, file system encryption, cluster security, and call home features. Many of the features are described in lecture materials and implemented in lab.

### Course Objectives:

- Use advanced installer tools to install Storage Scale
- Upgrade a cluster to a newer level of Storage Scale
- Monitor cluster health
- Configure cluster performance data collection
- Monitor cluster performance
- Configure cluster security options
- Encrypt file system data
- Configure the Storage Scale call home feature

### Prerequisites:

You should have taken:

- IBM Storage Scale Basic Administration for Linux (*H005G*)

### Target Audience:

This lecture and exercise-based course is for individuals who want to expand their knowledge of Storage Scale advanced installation and management capabilities.

# IBM Spectrum Scale Advanced Administration for Linux

Course ID #: 0370-006-H006G-W

Hours: 21

## Topics:

### Lesson 1

- Welcome
- Advanced installation techniques
- Exercise 1: Advanced installation techniques
- Upgrading a cluster
- Exercise 2: Upgrading a cluster

### Lesson 2

- Monitoring cluster health
- Exercise 3: Monitoring cluster health
- Performance monitoring and tuning
- Exercise 4: Monitoring cluster performance

### Lesson 3

- Cluster and data security
- Exercise 5: Cluster and data security
- Storage Scale call home
- Exercise 6: Storage Scale call home

Hours: 21

## NASBA Information

**Level:** Advanced

**Attendance Requirement:** To be awarded the full credit hours, you must sign in and attend the entire course.

**Fields:** Computer Software & Applications

**CPEs:** 23.40

### **Policies: Course Registration, Cancellation, Refund and Complaint Resolution**

For more information regarding administrative policies such as complaint and refund, please contact our offices at 800-639-3535 or visit us at: [www.tcworkshop.com](http://www.tcworkshop.com)

### **Official National Registry Statement:**

The Computer Workshop is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have final authority on the acceptance of individual courses for CPE credits. Complaints regarding registered sponsors may be submitted to the National Registry of CPE Sponsors through its website: [www.nasbaregistry.org](http://www.nasbaregistry.org)

NOTE: Since our information is in multiple places on our web site or in PDF format that is sent to clients, we have provided our normal course content with the NASBA Information added along with links to our policy page on the web. We will add our name to the Official National Registry Statement after we are approved.
