Course ID #: 7000-488-ZZ-Z

Hours: 7

Course Content

Course Description:

Adobe® Photoshop® is a leading graphic creation application, popular among graphic designers, illustrators, and photographers. Photoshop's numerous features work together to provide a comprehensive toolset for you, the design professional. This course delves into some of the more advanced image creation and editing techniques and offers you hands-on activities that demonstrate how these techniques can be used in combination to create exciting visual effects.

This course is a great component of your preparation for the Adobe Certified Associate (ACA) Visual Design Using Adobe Photoshop CC 2019 exam.

At Course Completion:

Students will be able to:

- Use brushes, gradients, and tool presets to create raster images.
- Apply vector paths, shape drawing tools, type, and type special effects.
- Apply advanced layer techniques with masks, filters, layers, and smart objects.
- Apply actions and batch processing to automate tasks.
- Edit video by using timelines, transitions, graphics, titles, and animation.
- Set project requirements by identifying the purpose, audience, copyright rules, and project management tasks.

Prerequisites:

To ensure your success in this course, you should have experience with the following tasks:

- Identify the basic components of Adobe® Bridge and the Photoshop workspace.
- Define image size and resolution.
- Add and modify Photoshop layers.
- Use tools to select, crop, and move images.
- Work with image adjustment properties to correct and retouch photographic images.
- Open and modify an image in Adobe® Camera Raw.
- Prepare images for print and web.

To meet these prerequisites, you can take the following course:

- Photoshop CC Part 1

Target Student:

Target students include professional or amateur photographers who want to use the robust features of Photoshop to enhance, modify, and organize their photographs, and anyone interested in working toward the Visual Communication with Adobe Photoshop exam certification.
