Technical Courses = 2 or more Days

Details:

Coupons must be paid for up front in full and never expire.

If cancellation of a Desktop Course occurs more than 14 business days before your class, you may transfer to another class or send a substitute. If cancellation of a Technical Course occurs more than 14 business days before your class, you may transfer to another class or send a substitute. Full coupon value is applied if attendance is canceled less than 14 business days before a Desktop Course or Technical Course.

All prices and class dates are subject to change.

Desktop Coupons are good for Microsoft and beginning Graphic Courses. Adobe, AutoCAD, and other more advanced courses may require additional coupons.

Technical Coupons are good for Microsoft and CompTIA courses. Excludes all Partner Delivered courses.

*Average Percent Off Class Price depends on retail prices of classes taken
