# Workplace Culture, starts here.

Create a cohesive and empowered team that fosters connection and open communication.

*Flexible virtual and in-person classes available!*

## Unconscious Bias

*1 day*

Unconscious bias is pervasive and has profound consequences. How do we uncover and combat it? Join us as we explore common biases, their origins, and a system for making them conscious to empower better choices. Together, let's overcome bias.

## Diversity: Generational Gap

*1 day*

Differences are strength. Age is a key divide, but it's also an opportunity. Experience unlocks paths, while new perspectives ask unique questions. Success lies in blending generations. Let's bridge the Generational Gap for growth and understanding.

## Inclusion: Going Beyond Diversity

*1 day*

Diversity is necessary, but inclusion is vital. It's not just about having a diverse team; it's about ensuring everyone feels valued and heard. Let's have the conversation on the power of inclusion and create a path where all voices are welcomed and embraced.
